

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF ILLINOIS**

SKYLAR WILLIAMS, individually and on behalf  
of all others similarly situated,

Plaintiff,

v.

GALDERMA LABORATORIES, L.P.,

Defendant.

Case No. 1:24-cv-02222

Hon. Lindsay C. Jenkins

**ORDER EXTENDING DEADLINE TO DISBURSE SETTLEMENT FUNDS**

Pursuant to Federal Rule of Civil Procedure 16 and the Court's January 30, 2026 Final Approval Order (ECF No. 87), Plaintiff Skylar Williams respectfully moves the Court for an order extending the deadline for Epiq to disburse settlement payments to Settlement Class Members by thirty (30) days, from the current deadline of **September 14, 2026** to and including **October 13, 2026**.

In support of this Motion, the parties state as follows:

1. On **June 30, 2026**, the Court entered its Final Approval Order and Judgment (ECF No. 87) approving the class action settlement in the above-captioned matter and directing the Settlement Administrator to distribute the Net Settlement Fund to participating Settlement Class Members who submitted timely and valid Claim Forms.

2. Pursuant to Section 3.4.3 the Settlement Agreement and the Court's Final Approval Order, *pro rata* payments to Settlement Class Members shall be made within sixty (60) days of entry of the final approval order. Since the sixth day falls on Sunday, September 13, this

was originally scheduled to be completed by September 14, 2026 (the “Disbursement Deadline”).

3. As outlined in the June 19, 2026 Declaration by Stephanie Amin-Giwner, Epiq received 651,016 web claims. ECF No. 85. Of these, 587,509 contained some level of fraud indicia requiring additional outreach. *Id.* Epiq completed the outreach email campaign and analysis on August 24, 2026 and shared the results with the parties’ counsel. It was decided that 13,696 claims would move forward for claim review and verification.

4. For the reasons stated in the accompanying Declaration of Stephanie Amin-Giwner, Epiq has advised the parties’ counsel that additional time is needed to complete claims review of the facially valid claims to prepare for disbursements. Specifically, Epiq requires additional time to finalize claims validation, complete address research, and complete award calculations and coordination of payments. The requested thirty (30) day extension will allow Epiq to complete these tasks and to ensure that settlement payments are disbursed accurately and in accordance with the Settlement Agreement.

5. This Motion is made in good faith and not for the purpose of delay. The requested extension will not prejudice any Settlement Class Member and will instead benefit the Class by helping to ensure the orderly and accurate distribution of settlement funds. No other deadlines will be affected by the requested extension.

6. Counsel for Defendant has been advised of this Motion and does not oppose the relief requested herein.

7. The parties have not requested a previous extension of this deadline.

WHEREFORE, Plaintiff, at the request of the Settlement Administrator, Epiq, respectfully requests that the Court enter an order (i) extending the Disbursement Deadline by thirty (30) days, from **September 14, 2026** to and including **October 13, 2026**.

Respectfully submitted,
